

**Incorporating Climate /
Global Change into Air
Quality Planning**

Motivation for This Discussion

- **EPA baby steps**
 - EPA R10 “Strategic endeavor” on climate change
 - Goal is to anticipate future needs
- **EPA proposed workshop**
 - Early 2009...
 - Motivate technical (us!) and policy communities within Region 10 to start thinking about climate/global change and air quality planning
- **What do we have to say?**
 - Usefulness, format, venue, length, specific issues of concern
